ESORICS is one of the leading international conferences in the field of computer security. The symposium provides a forum for the presentation of original research results, as well as for the exchange of ideas and experiences among researchers, practitioners, and industry professionals.

The theme of ESORICS 2024 is "Security in the Digital Age." The symposium will focus on the challenges and opportunities of securing computer systems and networks in the digital age. Topics of interest include, but are not limited to:

- Cybersecurity
- Information security
- Privacy
- Cloud security
- Mobile security
- IoT security
- Blockchain security
- Artificial intelligence security
- Machine learning security
- Data analytics security

ESORICS 2024 will feature a variety of keynote speakers, invited talks, and technical sessions. The symposium will also include a number of workshops and tutorials.

The deadline for submission of papers is March 15, 2024. For more information, please visit the ESORICS 2024 website.

Important Dates

* **Paper submission deadline:** March 15, 2024 * **Notification of acceptance:** June 15, 2024 * **Camera-ready paper submission deadline:** July 15, 2024 * **Symposium dates:** September 10-13, 2024

Venue

ESORICS 2024 will be held at the University of Surrey in Guildford, UK.

Contact

For more information, please contact the ESORICS 2024 organizing committee at esorics2024@surrey.ac.uk.
