Once your kalimba is tuned, you're ready to start learning to play. The tablature for each song is written in the following format:

T = Thumb I = Index finger M = Middle finger R = Ring finger P = Pinky f

The numbers in the tablature indicate which tines to pluck with the corresponding finger. For example, the tablature "T1" means to pluck the first tine with your thumb. The numbers are also grouped into measures, which are indicated by the vertical lines in the tablature. Each measure represents one beat of music.

The Songs

Now that you know how to read the tablature, let's get started on the songs. We've organized the songs into three categories: easy, intermediate, and advanced. This way, you can start with the songs that are easiest to play and work your way up to the more challenging ones.
