Print length : 268 pages

The book is divided into three sections:

1. **The Vocal Technique** section covers the basics of vocal production, including breath control, resonance, and diction. It also provides exercises to help you develop a strong and healthy voice.
2. **The Audition Preparation** section offers advice on how to prepare for and audition for musical theatre roles. It includes tips on choosing the right audition songs, preparing your resume and headshot, and networking with casting directors.

3. **The Performance Skills** section provides guidance on how to perform musical theatre songs effectively. It covers topics such as stage presence, character development, and vocal projection.

The Singer's Musical Theatre Anthology Volume 1: Tenor is an essential resource for any aspiring tenor who wants to learn more about the vocal technique, audition preparation, and performance skills necessary to succeed in the musical theatre industry.
