

# Voices Of The Movement: The Anti-Elite

Voices Of The Movement (VOTM) is a collective of independent journalists, activists, and researchers who are dedicated to exposing the corruption and abuses of power by the global elite.

VOTM was founded in 2016 by a group of journalists who were frustrated with the mainstream media's failure to hold the powerful to account. The group's mission is to provide a platform for independent voices to speak out about the issues that matter most, without fear of censorship or reprisal.
