What to see in Milan

Milan is home to some of the world's most famous landmarks, including the Duomo, the Sforza Castle, and the Teatro alla Scala. But there's much more to the city than just these iconic sights. Here are a few other places that you should add to your itinerary:

- **The Brera District:** This charming neighborhood is home to art galleries, boutiques, and restaurants. It's a great place to wander around and soak up the atmosphere.
- **The Navigli:** These canals are a popular spot for locals and tourists alike. You can take a boat tour, go for a walk, or simply enjoy a meal at one of the many restaurants along the waterfront.
- **The San Siro Stadium:** This is the home of AC Milan and Inter Milan, two of the world's most famous football clubs. Even if you're not a football fan, it's worth taking a tour of the stadium to see the sheer scale of it.

Where to eat in Milan

Milan is a foodie's paradise. The city is home to a wide variety of restaurants, from traditional trattorias to Michelin-starred establishments. Here are a few of our favorite places to eat:

- **Trattoria Milanese:** This is a classic Milanese trattoria that serves traditional Lombard dishes. The food is simple but delicious, and the prices are very reasonable.
- **Ristorante Cracco:** This is one of Milan's most famous restaurants, and for good reason. The food is exquisite, and the service is impeccable.

- **Pizzeria Gino Sorbillo:** This is one of the best places in Milan to get pizza. The pizzas are made with fresh ingredients and cooked to perfection.

Where to stay in Milan

Milan has a wide range of hotels to choose from, from budget-friendly options to luxury hotels. Here are a few of our favorite places to stay:

- **Hotel Spadari al Duomo:** This is a beautiful hotel located right in the heart of Milan. The rooms are spacious and well-appointed, and the staff is very friendly.
- **Hotel Milano Scala:** This is a modern hotel located near the Teatro alla Scala. The rooms are comfortable and stylish, and the rooftop bar offers stunning views of the city.
- **Ostello Bello Grande:** This is a budget-friendly hostel that offers clean and comfortable accommodation. It's a great option for solo travelers or groups of friends.

How to get around Milan

Milan has a good public transportation system that makes it easy to get around the city. The metro is efficient and affordable, and there are also buses and trams that serve all parts of the city. You can also purchase a Milan City Pass, which gives you unlimited access to public transportation as well as discounts on attractions.

If you're planning on doing a lot of sightseeing, you may want to consider purchasing a hop-on hop-off bus pass. These buses stop at all of the major

attractions in Milan, and you can hop on and off as many times as you want.
